YOUR ALTERNATE SPACE

Welcome to BiSCI (a Binary Space for Creative Incubation)

At BiSCI, we understand the dynamic needs of modern professionals, entrepreneurs, and remote workers. We provide a flexible, inspiring, and productive environment that caters to your every need. We provide a versatile event space that is designed to accommodate various networking events, workshops, and seminars to help you grow, connect and gain insights.

Pay only for the hours you need: When you are in need of a quiet spot for focused work or a collaborative space for team meetings, we have the answer for you. Reserve by the hour, half-day, or full-day according to your needs.

Individual Desks that can cater to you or a team of four to six: Perfect for solo work or small teams, providing a collaborative environment with ample space and resources with access to high-speed internet, plug points and office utilities.

Our **Mini Lounge** offers a wide comfortable space for your clients, informal meetings and brainstorm sessions.

Work with a Balcony View of the city that will inspire you out of your creative block. Drown out the noise with some music or get into focus mode with our headphones.

Our **Conference Room** is designed for productive and interactive sessions and is well-equipped for brainstorming sessions or client meetings.

Features include:

Projector: HD projector for presentations.

Online Meeting System: Ready for virtual meetings with seamless connectivity.

Sound Diffused Room: Ensuring clear audio with minimal disturbances.

Whiteboard and Stationary: Fully equipped for brainstorming and note-taking.

Attached Balcony: Take a break or continue discussions with a refreshing view.

Convenient and efficient **front desk service** for all your office needs, including:

High-Speed Internet for seamless workflow, **Power Backup** for uninterrupted service even during power outages and an **Automated App Services** for hassle-free booking and usage.

Expand your knowledge and find inspiration in our **open library**, where you may also find your next favorite author or a friend from a genre.

Take a break or continue your work with a meal and a view at our **Rooftop Shack Cafe**. A range of gourmet coffees, teas, snacks and quick meals prepared by our in-house chefs.

Enjoy a range of **additional amenities** designed to enhance your work experience, including:

Lockers: Secure your belongings with personal lockers.

Lounge Areas: Relax and unwind in our comfortable lounge areas.

Parking: Ample paid parking space in the building.

24/7 surveillance

Proper **health protocols** to ensure a hygienic workspace.

We are a "Project in Progress"! Your feedback and suggestions are what we are looking forward to.
